

The logo for Yo!Deals, featuring an orange square with a white diagonal slash followed by the text "Yo!Deals" in a bold, black, sans-serif font.

Yo!Deals

The title "USER MANUAL" is centered in a large, bold, black, sans-serif font. It is flanked by two orange trapezoidal shapes that point towards the center, creating a frame-like effect.

**USER
MANUAL**

The text "PREPARED BY : FATBIT TECHNOLOGIES" is centered. "PREPARED BY :" is in a smaller, black, sans-serif font, while "FATBIT TECHNOLOGIES" is in a larger, bold, black, sans-serif font. Two horizontal orange lines are positioned above and below the text, extending from the left and right margins towards the center.

How to get MailChimp List-Id?

Following are the steps to get MailChimp List-Id:

Step1: After login into the MailChimp account, on the dashboard, you need to click on **Lists**. On click of this menu, you will be redirected to the Lists listing page. Please see below screenshots for your reference:

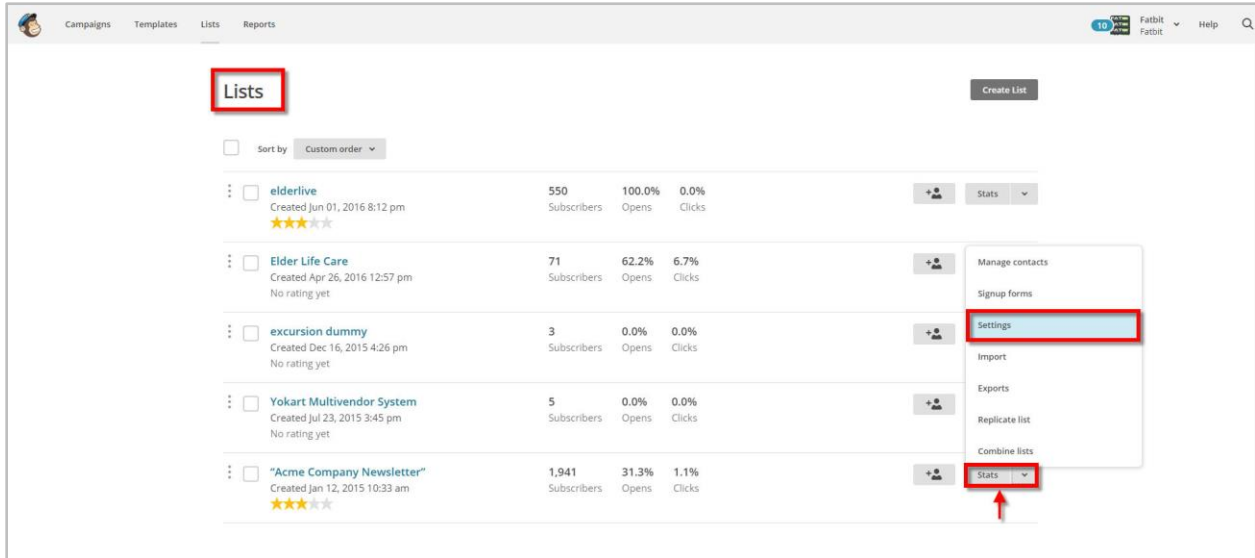

Step2: In the case of a fresh account, you also have to create a new list to save the subscribers email id in the list. Please see below screenshot for your reference:

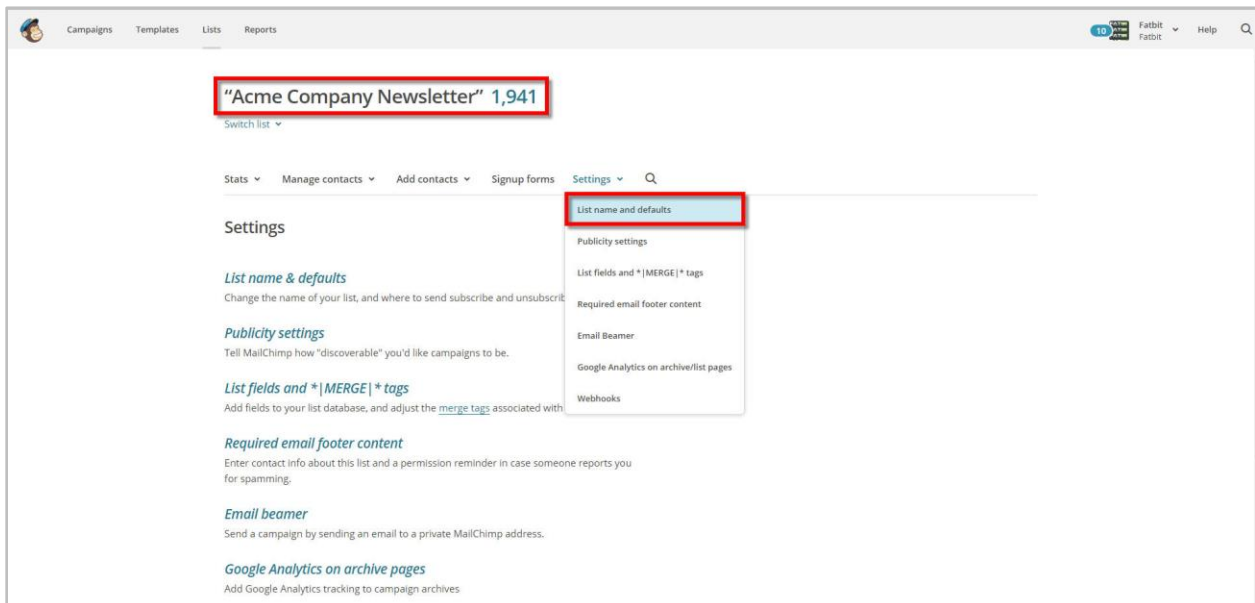

On click of **Create List** button, a drop down will open. You need to click on **Create List** button to create a new list in your account.

If you are using a single MailChimp account for the multiple websites then you can create a separate list for each website.

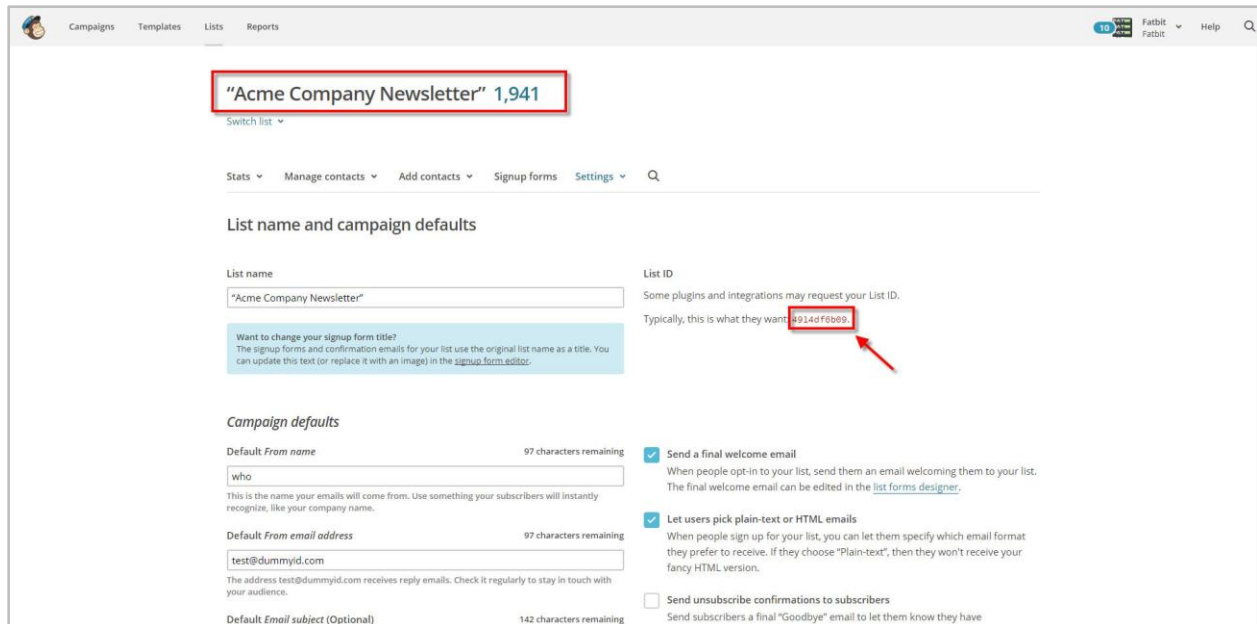

Step3: Once a list is created, on the listing page, you need to click on **Stats** drop-down menu and select **Settings** from the available options. Please see below screenshot for your reference:

Step4: On the list details page, you need to click on **List name and defaults** under the **Settings** drop-down menu. Please see below screenshot for your reference:

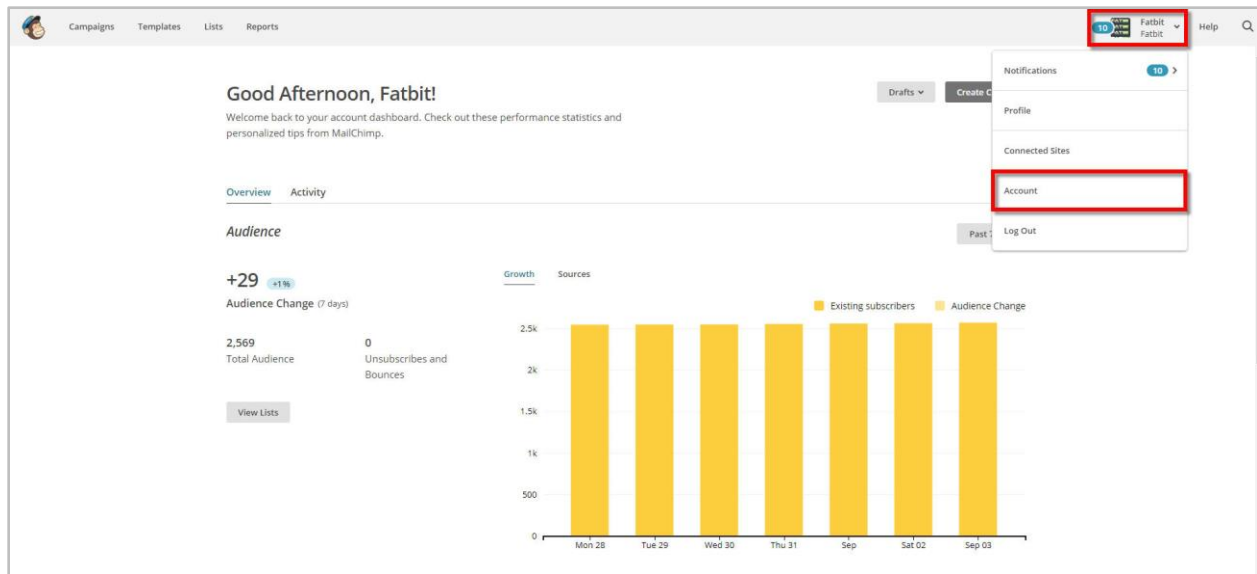

On the List name and defaults page, on the right side, you can get the List ID highlighted in the red color. Please see below screenshot for your reference:

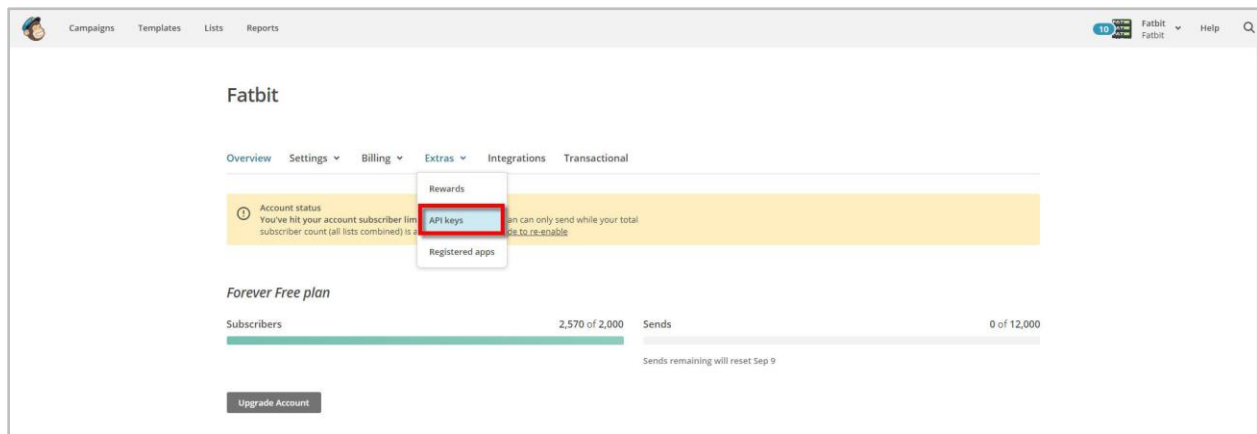

How to get MailChimp API Key?
