Clean Data

For data clean up, Admin needs a master password – We will provide the same on your request

The screenshot shows a web interface for 'Clean Data'. At the top left, the text 'Clean Data' is displayed. Below it, the heading 'CLEAN DATA' is centered. Underneath, there is a label 'Master Password' followed by a text input field. To the right of the input field is a red button with the text 'LOGIN' in white capital letters.
